

# CYBERSECURITY RESOURCES, TRAINING, AND CERTIFICATIONS

- **Free cybersecurity assessment.** The nonprofit Cybersafe Hawaii and DBEDT offer a no-cost assessment for small businesses. This service normally costs over \$5,000 and is funded by a grant from the Small Business Administration. Visit [cybersafehawaii.org](https://cybersafehawaii.org) to learn more and apply.
- **Small business cybersafety toolkit.** [GCA Cybersecurity Toolkit](#) is a free and effective resource that small businesses can use to reduce their cyber risk.
- **Cybersecurity training.** [Cyber Readiness Program](#) is a free program designed to train entry-level cybersecurity professionals to lead and support Hawaii's small to medium-sized businesses and nonprofits.
- **Email Safety.** [Haveibeenpwned.com](https://haveibeenpwned.com) allows you to search across multiple data breaches to see if your email address or phone number has been compromised.
- **Need a Small Business Cyber Toolkit?** [GCA Cybersecurity Toolkit](#) is a free and effective resource that small businesses can use to reduce their cyber risk.
